

Use the tiles 1, 2, 3, and 4 and see how close you can get to a sum of 1.

Use the tiles 1 through 6 to see how close you can get to a sum of .5.
(note: the numbers in the denominator will make a 2 digit number, not a product)

Use the tiles 1 through 9 to see how close you can get to a sum of 1.
(note: the numbers in the denominator will make a 2 digit number, not a product)
